

Forth Valley Members Forum

Circular Communities Scotland is holding an in-person Members Forum in Stirling. At the forum we will welcome members from the Forth Valley areas of Clackmannanshire, Falkirk and Stirling and from further afield, as well as other stakeholders and interested parties, to meet face to face for networking, sharing news and updates and to learn of strategic developments in our sector. This is an opportunity to chat to your peers, potentially collaborate and take a tour of Transition Stirling's Reuse Hub.
